REMARKS

The applicants respectfully request entry of the Amendment to claim 1 of the application.

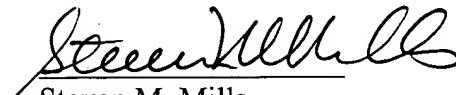

The present Amendment is directed to matters of form only and does not affect the substance or patentability of the claims. It is requested that the Amendment to the claim 1 be entered in the application.

Therefore, it is requested that the Amendment to the claims be entered and that the application be passed to issue. In the event that a telephone conference will expedite prosecution of the application, the Examiner is invited to telephone the undersigned.

Respectfully submitted,
